

Attention: Sales Coaches, Trainers and Consultants

LeaderXY Group, LLC is looking for Strategic Growth Partners!

Over the past five years, LeaderXY has collaborated with highly-successful coaches, trainers, consultants, industry leaders, executives, managers and employees to develop a **unique, unparalleled performance management system** that can be easily customized to match your best practices.

We are now seeking sales coaches, trainers and consultants who are interested in becoming a certified sales expert in the LeaderXY solutions and tools.

Can you answer “Yes” to one or more of the following questions?

- *Have you maintained solid business for at least two years?*
- *Do you understand business development and know how to sell?*
- *Do you have a methodology that has growth potential and can be duplicated through other organizations, coaches, trainers, and consultants?*
- *Do you have a client who understands the value of learning and development and how best practices scaled across the organization improves performance?*
- *Do you know an organization that wants to provide best coaching practices to all levels of the organization?*
- *Do you want to help your clients achieve high performance and a competitive advantage?*

If so, we invite you to **take advantage of this unique opportunity!** LeaderXY Group will work with you to grow your current business revenues, build passive income, and create business value. Refer others, become a reseller or a channel partner. See the attached graphic for more information.

LeaderXY Online High Performance Coaching System

The LeaderXY toolset is designed for maximum flexibility to simplify processes that integrate diverse people, unique practices, and essential resources to realize a sustainable competitive advantage. When technology **can be leveraged to scale a specific practice or process**, people can operate more efficiently and effectively. The better people understand a specific business process or practice and apply the right expertise and resources they are more likely to create value through improved cost and benefit advantages.

The LeaderXY toolset clarifies the purpose and integrates the people, practices and essential resources to **shift organizational mindset and skill-set for sustained profitability.**
